**2 Training Schedule**

**A**

**General  
Information**

Four 5-day training sessions on the newly-developed S/36 MAC System and FLP Technician Training have been scheduled. All sessions will be held at 8930 Ward Parkway, Kansas City, MO. Travel for the training will be paid using Washington-controlled travel funds for the number of slots listed for each State.

**Important:** Additional training slots are available in each session. States may request that additional employees attend the training. **The State must pay for the travel of any additional participants.** Additional slots will be filled on a first-come first-served basis. Efforts will be made to ensure that each State has 1 additional slot. It is strongly recommended that each State send an FLP State Specialist to the training.
